To The Class of 1964:

Someone has claimed that nothing is so astonishing in education as the amount of ignorance it accumulates in the form of inert facts.

This may be true if facts are left uncombined with life situations in the apparatus of daily judgment making and uncatalyzed by the desire for constructive achievements.

The transformation of inert facts into active, applied knowledge brings about some unusual properties. The product is without diminishing returns and has greater value than the sum of its original elements.

The future will provide the apparatus and the life situations. Your educational experience has provided the facts. You must provide the desire for constructive achievement. Each is an essential element in a reaction which can help bring to you the enviable wealth of a wholesome existence.

The faith and aspirations of the faculty attend you in your search for this wealth.

Sincerely yours,

Robert P. Long

Dear Fran,
All the best to
a very nice girl.
Although I don't know
you well you have
given me wonderful
impression of yourself
which I am sure you
can live up to. I so glad
that you can go to Bard.
I know you'll love it.
I'm sick of saying "Good Luck"

IN MEMORIAM

The light of heaven falls whole and white
  And is not shattered into dyes,
The light forever is morning light;
  The hills are verdured pasture-wise;
The angel hosts with freshness go,
  And seek with laughter what to brave;—
And binding all is the hushed snow
  Of the far-distant breaking wave.

JANE SUSAN BARDOSY

Earth's the right place for love:
  I don't know where it's likely to go better.
I'd like to go by climbing a birch tree,
  And climb black branches up a snow-white trunk
Toward heaven, till the tree could bear no more,
  But dipped its top and set me down again.
That would be good both going and coming back.

. . . IT WILL NOT BE THE SAME

We're off the stage now, leaving fond memories behind. The girls are crying; the boys are jubilant. Just think of all we have done in four years—four memorable years. These are things good or bad, great or small, that we will never do again.

Our reminiscing started as we began to draw on the past four years for our Class Night skits. It's hard to say what was more fun—rehearsals or the end result. We enjoyed ourselves more as performers than the audience did. The "little folk" gave us a big sendoff; the whole school turned out to shout a mighty "Farewell." But the Senior Ball was THE night. What appeared to be an ordinary gym until 2:07 was transformed into a wonderland. Everyone turned out to help and make it a class effort. Our toil was rewarded by the vision of couples floating dreamily in the dim light. Another beautiful page was added to our book of memories. The Motif Club and women teachers provided a good "prelim" to the annual Key Club-Faculty battle. The Seniors gave the faculty a real run for their money this year. "Unusual" cheerleaders added to the delight of a capacity crowd. There was a night in March when the gym floor was cleaner than it has ever been and when some students went home with bigger and better shoes than they arrived in. This and the following Saturday Sock-Wash Crisis were caused by the first "Sock Hop" at BHS in years. It was a highly successful "feet." Our basketball team gave us some real thrills this winter and finished with a winning season. The heartbreak of the year occurred in our first tournament game in three years against the "Devils" of Plainville. We bolstered our treasury by sponsoring a quaint, modestly successful "Country Store," another first at BHS. It was a lot of work but a lot of fun. Visitors to the Store were treated to shelves of homemade jams, jellies, and baked goods, as well as to a spirited auction of articles unearthed by the Seniors. Our football team went undefeated this year and copped the Northwest Conference title. A little of the urgency of the preceding spring was transmitted into bonecrushing action by a team that used skill and desire to make an

unstoppable combination. The peak of excitement was reached at the last game where our lovely Homecoming Queen, Barbara Peterson, was presented with her court. The Homecoming Dance, ushered in by a 44-0 victory, was a resounding success and a very fitting finish to the entire football season. In early October the school

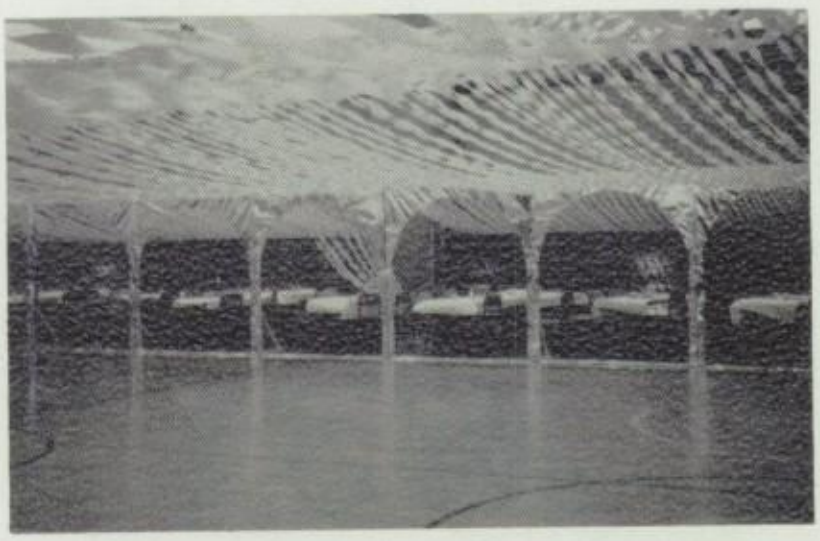
was invaded by a squadron of scared saucermen who were seen roaming about the halls singing, "We Saucermen love you . . . " Things came back to earth at a gala "Freshman Recep-

tion" on the last night of Initiation. Senior Court saw Freshman boys pirouetting around the gym in frilly tutus and Freshman girls pursued by a gruesome patrol of law-enforcement officers while Judge John Contino tried in vain to bring about some semblance of order. A dignified jury of peerless Seniors dealt with offenders with straight faces and crooked justice. As usual, Initiation provided fun for everyone and helped the ninth graders to feel that they were a real part of the school and its activities, al-

though when we were Freshmen, it seemed such a cruel way to be welcomed into the High School. But now we have had our revenge!

School was not forgotten during the summer. We all got together to stage a "Hootenanny" to raise money for the football team. Judy Resnick and friends headed our program of entertainment with their variety of ethnic melodies. The ever-popular Cavaliers added a change of pace with their swinging sound. With such great talent, the evening was naturally a success.

During the spring of our Junior year the School Board deemed it necessary to cut the interscholastic sports program because of a lack of finances. The entire school rose in protest. Under the leadership of our able President, the sports program was partially reinstated. In the election of Senior officers the class unanimously re-elected Ken for the third consecutive year. Also elected were Gary Larsen, Vice-President, and our perennial Secretary-Treasurer team, Karen Anderson and Jeff Herre. In keeping with our knack for unusual themes, our Junior dance was no exception. The guys and gals had a "rip snortin'" time at our wild western "Roundup." We chowed down at the Chuck Wagon, lassoed a bright-eyed miss, and moseyed out onto the dance floor. The accents of saddle and sage provided a fitting atmosphere for a roarin' evenin'. The highlight of our Junior year was the Prom.



Many hours of scrambling about the school were rewarded by the knowledge that ours was the best ever. All those who saw the decorations called them the most beautiful in the history of BHS. Very few people could tell that it was actually our gym. The magnificent architectural feat of silver arches carried out the theme of a "Night in Camelot." Authentically dressed pages led couples across lowered drawbridges into the resplendent atmosphere of a medieval castle. To add to the excitement our rings were presented at intermission. The high point of the evening was the crowning of Queen Fran Molumphy and her escort, Peter Nuss, who then led us in the Grand March. The Prom ended as the last strains of Russel Fararr's music drifted through "Camelot." Homecoming of our Junior year was disappointing because of our defeat at the hands of Gilbert. However, the day was brightened at half-time when the Queen and her court were presented to the spectators. Karen Anderson carried the laurels for our class at the game and at the dance that evening. In the early fall we were sitting in fourth period class when—the fire alarm rang. There was much confusion as to which exits to use since it was not second period. Standing outside, we became more alarmed when two police cruisers arrived at the school. Mr. Long informed us that there was an object resembling a bomb in the I. A. Department. Yes, a real BOMB SCARE was upon us. The excitement ended as the object was identified as an attempt at a homemade flashlight. Classes then resumed, much to the disappointment of all. We started off our Junior year with a bang in another way—we elected a fine slate of class officers. Ken Sherrick continued as President with

Pam Avery assuming Vice-Presidential responsibilities. Once again there was our fine Secretary-Treasurer duo, Karen and Jeff.

Our memories are getting a little vague now, but there are still a few things that stand out in our minds. There was, for instance, our Sophomore dance: "Roaring Twenties." Who else would try to decorate the gym with hula hoops? It was a smashing success, even when the globe fell down! We faced Homecoming festivities with mixed emotions. We lost a tough game to Griswold. Once again the Queen and her court brightened the day. Barbara Peterson was our dazzling Sophomore attendant. Susan Burnham held the first class meeting of our Sophomore year in early September; it was to be her last. As fine a President as she was, who could stand in the way of the rising star of our illustrious leader, Ken Sherrick, who was to guide us right to the end. Tom Griffith was elected Vice-President, and again Karen and Jeff faced the world together.

And then, remember, there we were—little frosh, wishing the Seniors goodbye in our grand Senior Farewell. As far back as it was, can we ever forget the diplomas hanging on the wall and the chalked representation of graduation? Our memory is rather sketchy now, but we can still remember our first Homecoming. We won the game that day. The dance was a great success, as was our Freshman attendant, Susan Burnham.

Every October Initiation strikes terror into the hearts of a mob of screaming little imps. It was our turn! Can you imagine us — US! — tramping through the corridors clad in nightgowns and

capped with baby bonnets? And those signs: "Cry Baby" and "Snookums." Most pictures taken of us at that time have been destroyed! Such degradation, and only a month after we

arrived at Berlin High School, all fresh and innocent. Little did we know! Fortunately, we were organized and ready. Under the capable leadership of Sue Burnham, Vice-President Pam Avery, and, of course, Karen and Jeff (at the start of their illustrious careers), our Freshman Class was already a functioning unit. There we were, walking through the doors for our first day as high school students. We will walk through those doors many times in the future, but IT WILL NOT BE THE SAME.

Happy times and fond memories to the members of the Class of 1964.

THE BERLIN HIGH HARRIERS, under the guidance of Coach Kaminski, met stiff opposition with hard running and good sportsmanship this season . . . The team demonstrated great progress, placing 13th in a field of 20 at the state meet, beating many teams to whom they had previously lost.

The last of thousands of spectators had left, but the final rousing cheer still lingered. Yes, it was true—our Redcoats had been victorious in the 7th and final game of the year. Add to this 6 previous victories, and you have a BHS season second to none. This team which seemed to be one of the best, if not THE BEST in BHS history, was composed of a powerful offense, an immovable defense, and a dedicated coaching staff. The offense scored with ease against any opponent it encountered, while the "Berlin Wall" proved to be impenetrable to all adversaries. The coaching staff combined ability and sincere interest to bring out the best in the team. This was proved when the Redcoats won the Northwest Conference Championship.

This year the BHS Basketball Team participated for the first time in the Northwest Conference. The combination of enthusiastic school spirit and the desire to win displayed by the team made this a most successful season. Our fourth-place finish in the Conference coupled with the tournament berth which we won in the last regular season game made this an unforgettable year.
